Did you remember the following during the survey?

Have you filled in all the information on the cover page ?

Have you recorded the **gender and age** of each surveyed child in household sheet ?

Have you ticked the **schooling status** of each surveyed child in household sheet ?

If the child is enrolled in school, have you written which **class** the child is in ?

Surveyed children in the age group 5-16 years must be assessed. **Have you assessed all of them?**

During assessment, did you make children solve **division problems on the back of the household sheet** ?

Have you marked the **highest learning** level for each child in all the assessment columns (Urdu/Sindhi/Pashto, English, Arithmetic ?
