During the 2014 Global EFA Meeting, held in Oman on 12-14 May 2014, education leaders adopted the Muscat Agreement. In doing so, they endorsed a shared vision for the post-2015 education agenda, including an overarching goal for education and a set of seven global targets for education beyond 2015. This Agreement represents the current vision of key education stakeholders on education beyond 2015, and is an important milestone in the development of the post-2015 education agenda.

This Information Meeting will present and discuss the global vision and scope of the future education agenda as well as the seven targets, proposed indicators and next steps.
